

Getting Started with WildSafeBC's Junior Ranger Program Team Activity Manager

NOTE: ONLY THE TEAM MANAGER NEEDS TO REGISTER AN ACCOUNT

1. Navigate to <https://wildsafebc.com/jrp/> in your web browser. Here is where you can find all of our Junior Ranger activities for download and do things like register a new team, check your team's progress in relation to other teams, and sign in to manage your team members' progress. Choose to Register a team.

2. Fill in your personal and team information, check the box and click Register.

3. Before you can login and add team members, one of our admins will have to approve your registration request. Please allow up to 72 hours for this to occur. You will receive an email when your account is active.

4. Once your account has been approved, you can login either through the “Manage your team” link on the main program page, or by navigating to <https://wildsafebc.com/team-leader-login/>.

5. Once you are logged in, click where it says wildsafebc.com in the top left-hand corner of the page.

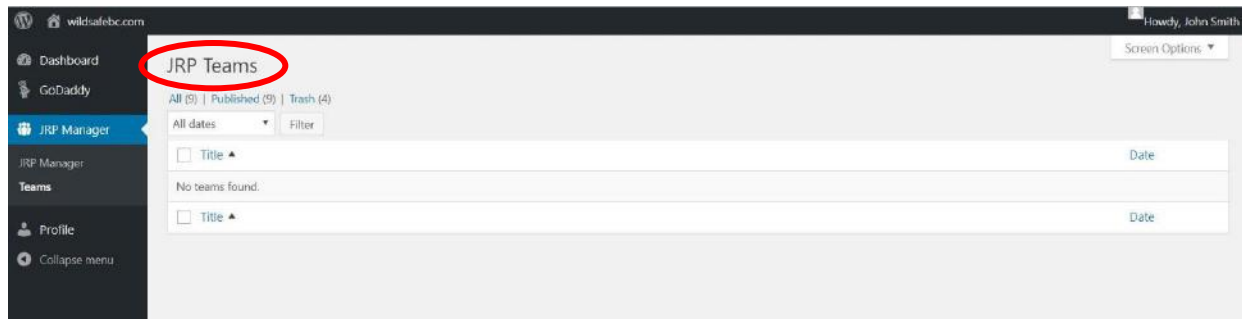

6. This will bring you to your main dashboard. Click JRP Manager from the menu on the left-hand side of the screen and select Teams from the pop-out menu.

7. Here is where you can view your registered team, add players, and check off which activities each team member has completed.

Whenever you make any changes to your team, remember to click the “Update” button on the right-hand side of the screen to save your changes (not shown below).

Your team is all set! Good luck!
