

Fall ACTIVITY #1

poster challenge

your mission

For this activity, WildSafe Rangers will be challenged to create a poster that illustrates one way you manage backyard wildlife attractants. Your finished poster could end up being used throughout the province by WildSafeBC to help spread the word about responsible attractant management!

On the following page, you will find the poster template. The poster is based on WildSafeBC's motto of "Keeping wildlife wild and communities safe".

You will:

1. Complete the sentence "I help keep wildlife wild and our community safe by: _____."

This sentence should be completed neatly in the space provided at the top of the poster. You can choose one of the options below, or come up with your own:

- ...keeping our garbage locked in the garage.
- ...picking all the apples off our tree.
- ...NEVER feeding wildlife.
- ...keeping our barbeque clean.
- ...taking down our birdfeeders during bear season.
- ...feeding my pets inside.

Other (choose another way you keep backyard attractants away from wildlife)

2. draw a picture that illustrates your attractant management tip. (for example: a picture of you picking apples). be creative!

Once you are done:

- Ask a parent to scan your poster and email the pdf file to bc@wildsafebc.com
- OR Mail your poster to:

WildSafe Rangers Program c/o
BCCF 1B-1445 McGill Rd.
Kamloops, BC V2C 6K7
