

# WILDSAFE RANGERS

The WildSafeBC WildSafe Ranger Program introduces students to the concept of human-wildlife conflict. It encourages them to take an active role in reducing human-wildlife conflicts by helping their families identify wildlife attractants around their home. The program fosters a respectful relationship with all wildlife that emphasizes keeping wildlife wild and communities safe.

## WILDSAFE RANGERS WILL LEARN:

- Basic needs (habitat requirements) of local wildlife species
- The root causes of human-wildlife conflicts
- How human-wildlife conflicts impact both people and animals
- What we can do at home to prevent human-wildlife conflicts
- How to stay safe in wildlife country
