

"Bare" Campsites are Safe Campsites

Help an adult check for attractants around your campsite. What items need to be stored in a hard-sided vehicle or a food locker and **NEVER** in your tent?

Thank You for Staying Safe and Keeping Wildlife Wild

Be safe while out on the trails.

If you see a bear, do not approach it and **DO NOT RUN** or yell at the bear.
Stay calm, back away slowly. Find an adult, and together, give the bear space.
